

AGENDA DAY 2

ESA CCI Colocation and CMUG meeting 2026 - Wednesday 25 March: Day 2

Observation-Modelling Interface and the Climate Model User Group (CMUG) meeting

Time	Session	Speaker
All Day	Posters: All projects and Research Fellows	
09.00-10.30	Session 5: Connecting Observations to Models	
09.00	The Observation-Model interface: WCRP developments • Overview • CMIP • CORDEX • ESMO – WGORC	Simon Pinnock (ESA) Amy Doherty (Met Office) Eleanor O'Rourke (CMIP IPO) Claire Macintosh (ESA)
10.30-11.00	Coffee Break	
11.00-12.30	Session 6: Connecting to Destination Earth and other service platforms	
11.00 (20+10mins for Qs)	Introduction to Destination Earth and DestinE	Rochelle Schneider (ESA)
11.30 (20+10mins for Qs)	Introduction to the Destination Earth Digital Twin on Climate and Adaptation	Sebastien Milinski (ECMWF)
12.00 (20+10mins for Qs)	Computing and cloud infrastructures for ESA projects.	Patrick Griffiths (ESA), Anca Anghelea (ESA)
12.30-14.00	Lunch & Poster session	

13.00	Science Leads Meeting (plenary room)	
14.00 (20+10mins for Qs)	Session 7: CMUG Opening and scene-setting CMUG and the 5 new Obs-Model Projects	Simon Pinnock (ESA) and Amy Doherty (Met Office)
14.30 (20+10mins for Qs)	Update from the IPCC AR7 and Interactive Atlas demo	Sarah Connors (ESA) and Richard Jones (Met Office)
15.00 (20+10mins for Qs)	World Weather Attribution	Ben Clarke (WWA)
15.30-16.00	Coffee Break	
16.00-17.30	Session 8: CMUG World Cafe	
16.00-17.00	CMUG World Cafe Rapporteur ppt template to be provided.	Rapporteur to be nominated during the session
17.00-17.30	Report back of the CMUG World Cafe	Facilitated by Simon Pinnock (ESA) and Amy Doherty (Met Office)
17.30	Coaches depart ECSAT	
18.30	Evening Reception at Earth's Trust , Oxford.	
22:30	Coaches depart for Oxford
