

# Journey of a Pixel

ESA - ECMWF - EUMETSAT

---

26 May 2022 | LPS22

---

We take you on the journey of a climate pixel.  
From satellite.  
To research.  
To operations.  
To user.  
& all the support it needs along the way.

Brought to you by **ESA + ECMWF + EUMETSAT**

# Journey of a Pixel

ESA - ECMWF - EUMETSAT

26 May 2022 | LPS22

Agora

14:05 – 15:05  
Europa

Join ESA Director of Earth Observation (Simonetta Cheli), EUMETSAT Chief Scientist (Paolo Ruti), ECMWF Director of the Copernicus Climate Change Service (Carlo Buontempo), & Head of ESA Climate Office (Susanne Mecklenburg), as we travel from space to user.

Leading ESA, EUMETSAT & ECMWF climate data engineers share their wisdom through a Jupyter tour of a climate pixel.

15:30 – 16:30  
Rm H-01-03

Masterclass

1-to-1s

16:30 – 17:00  
Climate Island  
@ ESA Stand

Meet ESA, EUMETSAT & ECMWF climate data engineers to discuss the journey, the three agencies, and how we work together.

You've been on the journey.  
Now play the game.

All Day | ESA Stand  
Winner Announced @ 17:00
